# EXAMPLES OF WHAT IS NOT COVERED

- Repair or replacement of any component covered by an insurance policy, manufacturer or dealer customer assistance program, or any warranty from the manufacturer.
- Damage as a result of impact, collision or grounding.
- Maintenance services specified in the owner's literature supplied with the product.
- Using the product for speed events such as races or acceleration trials.
- Unauthorized repairs performed by anyone other than authorized dealers.
- Bodily injury or property damage arising or allegedly arising out of a defect in the design, manufacture, materials or workmanship of a covered component.
- Propeller(s) and any damage to covered components, if damage was caused by propeller(s).
- Any and all damage to hull, or parts of the craft not listed as covered components.
- Any damages to the craft arising from the failure of the trailer.
- Repairs to parts of the craft not specifically listed in the coverages section of this service contract or for those parts that are listed as excluded and/or not covered in the coverages section.
- Any pre-existing conditions or failures occurring before coverage takes effect or prior to the service contract sale date.
